At Paul Wright's, 266 Main street,

-The criminal court was engaged yesrday on unimportant cases, and ad--The business people are anticipating very lively spring trade, and are making parations accordingly. The four four court people are wrathy bout the shutting off their gas, thus com--The houses along the route of the Mardi-Gras procession are to be illumi-tate with gas, oil-lamps, tallow-candles,

whale-oil and every possible sort of illu -The falling down of a large-sized orse on Main street, between Union and Monroe, was the occssion of a small ex-minement yesterday afternoon. -Masks and coatumes figured in the roads, to begin at a point on the Potomain street show windows yesterday, while Mardi Gras was the antiect of columbia, in the State of Virginia, and to on conversation on the streets. -The nicest ladies can attend the Mardi Gras ball either as maskers or spec-lators. The committees have made all rangements for order and decorum. -Our country exchanges are urging heir readers to avail themselves of the bance for amusement which Memphis fiers by the colebration of Mardi Gras.

The loungers about the stove are con-tantly sinking the legs of their chairs the company shall not exceed the sum of —Masqueraders cannot go into saloons or stores and take what they want without paying for the articles. Mardi Gras abscribed by persons or corporations, and aday of festivities, and not a day for dead-bears. Bear this in mind, every body. to the rotten flooring. -A little sui for damages which was ending in our courts for four or five ears against Colonel Beaumont, was deided yesterday by the jury swarding the completeant one hundred dollars damges for false imprisonment, -A tombetone has been found on Ducl

river, in Hickman county, which bears date December, 1549, together with the initals B. D., and an inscription in f. ati which is nearly effaced. It is thought to have marked the grave of a Spaniand. -The police will be furnished their new genilemanly cames to morrow. They ar-rived from Japan yesterday morning. They are fine rattan, varnished black, with a siung-shot for a knob. They are exceedingly pictures que and nobby. exceedingly pictures que and nobby.

—Mr. Cleary, who has been a policeman for two years, resigned his position yesterday rather than stand a trial before the police board on a charge of beating a prisoner. He gave a negro haskman a who were promised bonds upon his ac-

ractical illustration of the uses of many embols employed by the ancient, vene-ted and mysterious order. Werkmen rill read their story in our advertising ages, and the magnificent temple will on lift its corgeous front above the city, which this massive structure will con-

on Mardi Gras.

-The people of Shelby street have been emplaining for some time past. The her night Officer Homan went into a case in the neighborhood of Botten Row, which he considered disorderly, and made ter from the policeman, and discharged the prisoner, holding that a policeman had rious disturbance in the way of shooting or killing was going on. The city ordi-nances seem to speak differently. -Page three hundred and thirty six of

cause to be done of the following acts: To keep a disorderly house, by making or roper noises, or by collecting thereis the annoyance of others and the disturb ance of the neighborhood " From this i plain that all appoles of disorders are t suppressed by the officers of the peace disctions of "drunken, noisy and discr derly persona" in any house are obnoxious to the law. -This is leap year. That pregnant fact

is not to be overlooked, as it may prove disastrous to the single liberties of many. We have teard of a formal combination being made by some brilliant ladies of this city by which not a few hirsute individuals may lose their bissectness. The campaign is to be inaugurated by a grand ball to be given by the ladies and to which the gentlemen will be invited; they will be provided with an elegant supper and other entertainments; the ledies will cicerone the gentlemen, take them under their protection, and ask them to dance.
The entertainment is intended to be private. The cards of invitation are already "struck off." They read — The presence of your company, and that of any gentleman you may kindly select is requested at a grand loap year ball to be given in —, under the special managment of Mrs. —, etc. On the inside of

"Be it further ordered, That this sub-scription shall be subject to the follow-ing conditions, viz:

breeches, which will somewhat enlarge his personal rotundity, and Blind Tom, astride of his back, will drive the wagon, ing conditions, viz:

astride of his back, will drive the wagon, and the line from the junction with the Bolivar road to Memphis shall be common to both roads and operated as such in the transportation of freights, passangers, etc., so as not to prejudice the interests of either the Mamphis and Knoxyille air-line railroad company or the Jackson and Memphis railroad company or the Jackson and Memphis railroad company."

We learn that there are but very few of the people of Jackson opposed to the other than the country has more most.

The business were of March the wagon, and the public generally are hereby notified that I have removed my office from No. 20 Madison street basement office of the publish a letter of T. T. Wright, which appeared in the Appear last May, advocating the extensive culture of corn and other things besides cotton. The letter asys: "We have corn enough in the country has more most."

"Signs of The Times."

for stock by each county; that the counties of Boone, Carroll and Marion will each take one hundred thousand dollars, and each of the counties through which the road may pass will donate a sufficient sum to pay for the survey through their

ere can be a practical route obtained gantly assorted establishment, rough those and Inard counties to this acs. If the road should pass that way, will penetrate one of the richest agriculors and mineral portions of the State If the main trunk of the road should ach the Missouri State line in that di-ction, it will be an inevitable necessity have a branch of the road from thi lace through the counties of Sharp and ulton, to connect with the bt. James

W. W. Fleming and Paul Lightner, of Highland county, Virginia; W. W. Flan-nigan, William A. Robertson, A. D. Al-der: mond Rawles Abell, of Albemarle county,
Virginia; R. H. Maury, Thomas Branch,
W. F. Taylor, F. Stearns and Wellington Goddin, of the city of Richmond, Virginia. The company is authorized to construct, establish, and maintain a narrow-guage railroad, to be known as the Wash-ington, Cincinnati and St. Louis railrun thence by the most practicable route to some point on the Virginia and West gusta, in the State of Virginia; whence the said road may be extended through the State of West Virginia, with a branch from a suitable point on said road, via Chariottesville, in the county of Alberthere by the celebration of Mardi Gras.

-A new floor is wanted for the antecounty of Henrico; also a branch from som of the Adams street stationhouse. some suitable point on said road to the fifteen million dollars, to be divided int ginia, upon the call of the first five name rporators, or a majority of the same, to organize the company under this act, to elect a president and board of directors, whose term of office shall be three years

The Southern Pacific Road and Tom Scott. A Herald Washington corresponder gives the following gossip in relation to he great enterprise in which T. A. Scott engaged: Marshall O. Roberts, of New ork, troubled with the kidney disease prisoner. He gave a negro haddens as best in the jaw with his pistol because, as he alieges, the haddens need opprobrious is guesse toward him.

—Billy Brown was bauled in from the suburbe by a policeman last night, and lodged in the stationhouse on Adams street. He was caught unhooking a quarter of beef from in front of a butcher's stand, which he intended to carry home to his familty. He said he was a good parent and was anxious to provide for his little ones.

Who were promised bonds upon his accession, are raving about town, talk-ing about town light in such enterprises, and the granta in money and in lands lavishly heaped we believe." upon this road might well allure him. The "Texan and Pacific" franchise—such being the name of Scott's consolidate road, which is to run from Shroveport, Louisi-ans, cross the broadest part of Texas, to El Paso, and thence send an arm down in California, and another to San Diego-is comprised of three or four differentihings The carriage of Mr. Fargason was violently run against by a wagon on Main
street Friday evening and nearly upact.
Mrs. Fargason and her children were in
the vehicle at the time; the little ones
were within an see of being thrown out
and thus so frightened the laly that she
was seriously indisposed in consequence,
Reckless diving is a common crime in
Memphis now.

—It is generally conceded that Canale is
the author of the rat-and-egg story. He
swears by all that is good and true that he
saw the rat lie down on its back—he was
a stunner—with an egg in its paws, in all subsidized with rich Texas lands. a stunner—with an egg in its paws, in the celiar, give the sign by wriggling its their lands for the first one hundred and tail, and then two other rats dragged the first up stairs by the tail. The egg was to be used in making a morning beverage than \$2,000,000, and it is supposed that after indemnifying upon that compromise, the persons who took his bonds, the Memphis and El Paso grant will still amount to five millions of acres. Next will seeme the State bonds of \$10,000 per

requested at agrand loap year ball to be given in —, under the special managment of Mrs. —, etc. On the inside of the card the following auggestions are appended: "Gentlemen are expected to and A. M. Shannon, New York, appended: "Gentlemen are expected to and A. M. Shannon, New Orleans, are

The Jackson Whig and Tribuns contains the ordinances of the mayor and aldermen of Jackson submitting to the yoters of that city a proposition to subscribe seventy-five thousand dollars to the Memphis and Jackson railroad company, and fifty thousand dollars to the Jeckson and Tennessee river railroad company. Election Saturday, March 2d. The following section of the ordinance shows that Jackson is willing to co-operate with the Bolivar company upon fair and liberal terms, which will doubtlessly be sceepted. Gompai, the great plane and music-dealer, will not be recognized in the pro-cession of maskers Tuesday. He will wear a grand bell-treble plane in his

we learn that there are but very few of the people of Jackson opposed to the subscription. They feel and know that it is given the country has more meating of the people of Jackson and will double the business and population of Jackson and will make it one of the most flourishing and prosperous towns or cities in the Star. The expenditure of one hundred and twenty-five thousand dollars upon these two roads within the next two years will very much increase the commercial solvivity and add to the well write again soon, and feel year will consume the commercial solvivity and add to the well write again soon, and the people are agreed to an astonishing extent the commercial solvivity and add to the well write again soon, and the people are agreed to the people are agreed to the people are agreed to the people are the commercial solving and the country has more meating of the most flourishing and prosperous towns or cities in the Star two years will very much increase the commercial solvivity and add to the well write again soon, and feel.

"THE VICTOR." The Victor sawing machine spency in this city, owing to the large and constantly increasing business that flows in, have found it necessary to move from Court street to 223 Main, near Adams street, to more commodious and conveni-ent queriers. Mr. Moallister the agent, being a Southern man, has established a flourishing business for the Fink's & Lyon manufacturing company—the mak-ers of the celebrated Victor. The machine is of such merit, however, that even an agent of ordinary capacity could not avoid, if he would, making a good trade. The many improvements which the Finkle & Lyon manufacturing company have made upon singer's, the best of the original mechines, entitle them to the honor of new inventors. Their shuttle and needle are peculiarly while the general "make-up" of the ma-chine is so simple and solid that it will chine is so simple and solid that it will last fifteen years without going out of repair. In point of fact, there is a lady in this city who has been working on one of them for eleven years, and now would not exchange it for a now one of smother make. Facts of this character, when they become races of this character, when they become generally known, cannot fail to give a machine a splendid reputation. The attachments for hemming, felling, quilling, embroidering, cording, tucking, braiding, roffling, puffing and gathering, are perfect and complete, and easily fitted to the machine. The new quarters, 223 Main strest, will afford much better opportunities for pisc-ing the machine fairly on the market than

were hitherto enjoyed by the agent in TABLE BUITER. Very Choice Coshen and Western Table Sutter-and plenty of it. OLIVER, PINNIE & CO. BERLIN ZEPHYR WOOL
